Subcommittee	Project Name	Grantee	Location	Request	Dept	Agency/Account
AG	On-demand, in-ground irrigation project	Kirkwood Community College	Cedar Rapids, IA	\$975,000	USDA	NRCS/CO (NRCS Conservation Operations)
AG	Farm and Ranch Stress Assistance Network	Agriwellness	Harlan, IA	\$2,100,000	USDA	CS/EXFA (CSREES Extension Activities Federal Administration)
AG	Iowa Renewable Fuels Testing Laboratory	Iowa Central Community College	Fort Dodge, IA	\$10,000,000	USDA	CS/EXFA (CSREES Extension Activities Federal Administration)
AG	Value Added Producer Grant	USDA, Rural Development	nationwide	\$40,000,000	USDA	RBCS (Rural Business-Cooperative Service)
AG	Hungry Canyons soil erosion activities	Hungry Canyons Alliance (Golden Hills RC&D)	Oakland, IA	\$1,200,000	USDA	NRCS/CO (NRCS Conservation Operations)
AG	World Food Prize	World Food Prize	Des Moines, IA	\$750,000	USDA	ARS/BF (Agricultural Research Service Bldgs & Facilities)
AG	Certified Environmental Management Systems for Agriculture	Iowa Soybean Association	Des Moines, IA	\$450,000	USDA	NRCS/CO (NRCS Conservation Operations)
AG	On-Farm Management Systems Evaluation Network	Iowa Soybean Association	Des Moines, IA	\$450,000	USDA	NRCS/CO (NRCS Conservation Operations)
AG	Watershed Management Demonstration program	Iowa Soybean Association	Des Moines, IA	\$300,000	USDA	NRCS/CO (NRCS Conservation Operations)
AG	NE Iowa Dairy Intiative (Dairy Education)	Northeast Iowa Community College	Calmar, IA	\$239,000	USDA	CS/FA (CSREES Federal Administration)
AG	New Century Farm	ISU	Ames, IA	\$8,000,000	USDA	CSREES (Cooperative State Research, Education and Extension Service)
AG	Biotechnology Test Production	ISU	Ames, IA	\$549,000	USDA	CS/SRG (CSREES Special Research Grants)
AG	Protein Utilization	ISU	Ames, IA	\$1,000,000	USDA	CS/SRG (CSREES Special Research Grants)
AG	Midwest Poultry Consortium	ISU	Ames, IA	\$1,500,000	USDA	CS/SRG (CSREES Special Research Grants)
AG	Livestock Waste	ISU	Ames, IA	\$500,000	USDA	CS/SRG (CSREES Special Research Grants)
AG	Agriculture Trade Analysis -- CARD	ISU	Ames, IA	\$750,000	USDA	CS/SRG (CSREES Special Research Grants)
AG	FAPRI	ISU	Ames, IA	\$2,000,000	USDA	CS/SRG (CSREES Special Research Grants)
AG	BIGMAP	ISU	Ames, IA	\$500,000	USDA	APHIS (Animal Plant Health Inspection Service)
AG	Food Safety Consortium	ISU	Ames, IA	\$1,630,000	USDA	CS/SRG (CSREES Special Research Grants)
AG	Human Nutrition	ISU	Ames, IA	\$1,200,000	USDA	CS/SRG (CSREES Special Research Grants)
AG	Iowa Rural Vitality	ISU	Ames, IA	\$500,000	USDA	CS/FA (CSREES Federal Administration)
AG	National Center for Agriculture Safety	North Iowa Community College	Peosta, IA	\$229,000	USDA	CS/EXFA (CSREES Extension Activities Federal Administration)
AG	Tallgrass Prairie Center and Native Seed Testing Lab	UNI	Cedar Falls, IA	\$695,000	USDA	NRCS (Natural Resources Conservation Service)
AG	National Ag-Based Lubricants Center	UNI	Cedar Falls, IA	\$1,000,000	USDA	CS/FA (CSREES Federal Administration)
AG	Center for Grapevine Quality Assurance	UNI	Cedar Falls, IA	\$814,000	USDA	CS/EXFA (CSREES Extension Activities Federal Administration)
AG	Regional viticulture and enology education project	DMACC	Ankeny, IA	\$1,000,000	USDA	CS/EXFA (CSREES Extension Activities Federal Administration)
CJS	Project Storm	UNI	Cedar Falls, IA	\$500,000	DOC	DOC-NOAA-OAR

CJS	Iowa Center for the Advancement of Science and Math Education	UNI	Cedar Falls, IA	\$500,000	NASA	NASA
CJS	Geoinformatics Training, Research, Education and Extension Center	UNI	Cedar Falls, IA	\$500,000	NASA	NASA-SAE-Aero
CJS	Future Flight Systems Research	University of Iowa	Iowa City, IA	\$500,000	NASA	NASA-SAE-Aero
CJS	Reducing Wind-Induced Damages program	ISU	Ames, IA	\$500,000	DOC	DOC-NOAA-OAR

Defense	Item/Project Name	Purpose	Location	Request (in THOUSANDS)	Account
Defense	Portable Rapid Bacterial Warfare Detection Unit	Funding will be used to build a spectral library of Biological Warfare agents. In time, the library will be re-engineered into a miniaturized, portable instrument better suited for field deployment to provide a tool for protection of our troops.	AATI, 2901 South Loop Drive, Suite 330, Ames, IA 50010	7,500	RDA
Defense	HyperAcute Vaccine Development	BPSC is developing prophylactic and therapeutic treatments for infectious diseases with biodefense and bioterror applications. This project would serve to increase the security of Americans against already known threats.	2901 South Loop Drive, Suite 3360, Ames, Iowa 50010-8646	1,850	RDDW
Defense	Self Powered, Lightweight, Flexible Display Unit on a Plastic Substrate	This project will provide a soldier with a lightweight, self powered display in order to give them the ability to view changing information in the heat of battle, building on past work to develop a working prototype for military use.	PowerFilm, 2337 230 th Street, Boone, IA 50036	2,000	RDA

PDF Created with deskPDF - PDF Writer - Trial :: http://www.deskpdf.com

Defense	Galfenol Energy Harvesting	Galfenol represents a fundamental new capability in active materials. This funding will allow for technology refinement to recover small amounts of energy from the ambient environment to power small electronic devices.	2500 North Loop Drive, Ames, IA 50010	3,700	RDN
Defense	ARC 210 Improved Communications for the A-10 & the F-16	The Air National Guard F-16 communications suite needs to be upgraded to perform its mission critical requirements with a Beyond-Line-of-Sight Satellite Communications capability for conducting time-sensitive communications.	Rockwell Collins facility, 400 Collins Road, Cedar Rapids, IA	15,000	APAF
Defense	Rock Island Arsenal, Roof replacement of Building 299, Phase II	Second phase of replacing an unsafe and hazardous (asbestos) roof thereby creating additional and valuable manufacturing space and addressing a serious safety issue.	1 Rock Island Arsenal, Rock Island, IL, 61299-5000.	6,200	OMA
Defense	Shared Vision	This initiative would create a single integrated three-dimensional picture of a real environment for commanders and soldiers to plan missions more effectively and improve comprehension of live missions underway.	Fort Monmouth, NJ / Marshalltown, IA	5,000	RDA
Defense	Integrated Manifold and Tube (IMAT) Ceramic Oxygen Generator	The funding requested will complete the development phase and prepare the Navy to proceed to production on specific applications to assist in fulfilling the Navy's requirement to convert from stored gas system to ceramic oxygen generation systems.	2734 Hickory Grove Road, Davenport, IA 52804	9,000	RDN
Defense	Combat Vehicle Survivability and Performance Enhancement	Funds would be utilized to reduce the weight of Future Combat System vehicle variants and demonstrate the use of alternative alloys, processes, and joining technologies to meet program requirements for FCS.	4879 State Street, Bettendorf, IA 52722	10,000	RDA
Defense	Center for Education in Nanoscience and Nanotechnology	To renovate and equip two nanoscience and nanotechnology laboratories for undergraduate instruction, student and faculty research, and the professional development of elementary, secondary, and community college teachers.	University of Northern Iowa, Cedar Falls, Iowa 50614	762	RDA
Defense	Midwest Counterdrug Training Center	As an integral part of the National Guard Counter Drug Program, MCTC's mission is to provide the highest quality training at the lowest possible cost to all those engaged in the fight against drug trafficking and substance abuse.	Camp Dodge, Iowa National Guard, 7105 NW 70 th Ave, Johnston, Iowa 50131	6,000	DI
Defense	Advanced Steel Casting Technology for Weapons Systems	This program uses an integrated design approach of solidification, modeling, stress analysis, and tailored nondestructive examination to develop steel designs that are light weight components for weapons systems.	Iowa State University, Ames, IA; University of Iowa, Iowa City, Iowa; University of Northern Iowa, Cedar Falls, Iowa	4,000	RDA
Defense	Copper Antimicrobial Research Program	To demonstrate the effectiveness of copper to inactivate dangerous pathogens in military healthcare settings and other high-risk facilities and to reduce nosocomial (hospital-acquired) infections.	PMX Industries, 5300 Willow Creek Drive SW, Cedar Rapids, IA 52404	5,800	DHP
Defense	Naval Expeditionary Combatant Command Loaders with Six-Ton Materials	To manufacture loaders with six-ton Materials Handling Equipment capability in order to replace war-torn loaders and ensure that Naval Expeditionary Combatant Command units can conduct their missions reliably, safely, and cost effectively.	Davenport, IA (Worldwide Equipment Division is located at 2000 John Deere Run, Cary, NC 27513)	11,000	OPN
Defense	ViriChip Rapid Virus Detection System	To address biodefense needs with a chip which is sensitive, specific, and fast that is able to assess viruses from related diagnostic groups.	1615 Golden Aspen Dr., Suite 101, Ames, Iowa 50010	1,960	RDDW

Defense	Active Combustion Control Systems for Military Aircraft	Develop a system to revolutionize a jet engine’s fuel consumption and provide a means to reduce engine noise, combustion instability (main or afterburner), emissions and pollutants, and overall improve reliability and reduce life cycle costs.	811 4 th Street, P.O. Box 65100, West Des Moines, IA 50265-0100	6,800	RDAF
Defense	Global Air Traffic Management (GATM) for the KC-135	Aircraft that do not possess new communications/navigation capabilities will be denied access to airspace where such capabilities are mandated. GATM will equip its applicable aircraft with a capability to comply with the mandated schedule.	Rockwell Collins facility, 400 Collins Road, Cedar Rapids, IA	9,900	APAF
Defense	CNS/ATM Mission-Needs Capability Upgrade for the CH-53	To meet the Navy’s “mission need” for a Communications, Navigations, Surveillance/Air Traffic Management solution for the CH-53 fleet, and meet civil mandated airspace requirements, reduce O&M costs, and improve mission effectiveness and flight safety.	Rockwell Collins facility, 400 Collins Road, Cedar Rapids, IA	6,000	APN
Defense	Rock Island Arsenal – Arsenal Support Program Initiative (ASPI)	The goals of ASPI are to encourage commercial firms to utilize and invest in Rock Island Arsenal (RIA) facilities to reduce product and ownership costs (overhead).	1 Rock Island Arsenal, Rock Island IL, 61299-5000	1,150	OPA
Defense	Rock Island Arsenal -- Industrial Preparedness Items	Funding will primarily support the production of vehicle armor, the M119 howitzer production program, M198 howitzer spare parts production, M45 recoil mechanism production, M93 gun mount production and the AC-130 gunship parts production.	1 Rock Island Arsenal, Rock Island, IL, 61299-5000	10,500	OPA
Defense	Hospital Ship Medical Asset Management (TAH-MAM) Initiative	This project will manage all mission-related equipment and bring medical logistics on the hospital ships into the digital age, a critical component to the ships’ ability to effectively and efficiently perform their mission requirements in the future.	550 Second Street SE, Cedar Rapids, IA	6,000	OPN
Defense	Battlefield Plastic Biodiesel	To begin pilot-scale testing to provide design data and long duration results to support the production of a prototype system for the production of biodiesel from military plastic waste.	406 First Street, Ralston, IA 51459	4,000	RDA
Defense	Tactical Wheeled Vehicle Structures for Improved Survivability and Performance	This project would supply the Army with the kind of lightweight, responsive vehicles that are required in the current environment in order to be able to support their forces in a quicker manner.	4879 State Street, Bettendorf, IA 52722	10,000	RDA
Defense	Defense Advanced GPS Receiver (DAGR)	There’s a need for more GPS Receivers to supplement those used by our war fighters, and for situational awareness capability for the individual soldier in order to harness battlefield information and operate radios/position/navigation system.	Rockwell Collins facility, 2855 Heartland Drive, Coralville, IA	7,000	OPA
Defense	F-15C/D MSOGS Retrofit	This budget request would fund integration, kit procurement, and retrofit of the newly upgraded Molecular Sieve Oxygen Generation System (MSOGS) into approximately 3 squadrons (75 a/c) of the F-15C/D ‘Golden Fleet’ aircraft.	2734 Hickory Grove Road, Davenport, IA 52804	15,000	APAF
Defense	Digital Humans and Virtual Reality for Future Combat Systems	Continue research on digital human modeling and simulation; focus on new methods to increase artificial intelligence in digital humans, develop methods for studying dynamic tasks and motion prediction.	Iowa City, Iowa	4,000	RDA
Defense	Epidemiologic Health Survey Workers at the Iowa Army Ammunition Plant	This study will address health issues relating specifically to the munitions industry. This industry has unique health risks associated with its activities that will be addressed by one of the most comprehensive studies of the industry ever done.	Iowa City	1,000	DHP

Defense	Next Generation Manufacturing Technology Initiative	Accelerate the development and implementation of breakthrough manufacturing technologies in support of the transformation of defense industrial base and global economic competitiveness of US-based manufacturing.	Iowa City, Iowa	4,000	RDDW
Defense	High Performance Design and Advanced Manufacturing of Steel Castings for	Promote advanced steel casting technology to be utilized in new technologies. This project will develop the technology that will be deployed in legacy weapons systems, next generation system designs and future system concepts.	Iowa City, Iowa	1,000	RDA
Defense	National Genetic Testing Laboratory For Inherited Eye Disease	Research, diagnosis and cure of inherited eye disease in military personnel.	Iowa portion – Iowa City, Iowa	5,000	DHP
Defense	US Army Center for Excellence in Automotive Reliability & Design	Improve rapid deployment and mobility in vehicle system design and optimization as it relates to Future Combat Systems.	Iowa City, Iowa	5,000	RDA
Defense	Orthopaedic Management of Intra-Articular Fractures from High Energy Tr	Improve research on orthopaedic care for injuries of the extremities.	Iowa City, Iowa subcontract to Iowa State - Engineering	700	DHP
Defense	National Center for Biomedical Imaging	Image-based disease assessment and program which would provide a safe and comprehensive information regarding cause of death – especially in war time.	Iowa City, Iowa	5,000	RDN
Defense	Iowa-AFREL Network Centric Flight Simulation Facility	To design advanced avionics and human factored display formats. With forces actively deployed in multiple theaters, there is an urgent need to adapt aircraft and rotorcraft cockpit technology to changing needs and mission profiles.	Iowa City, Iowa	5,000	RDAF
Defense	Troop Recruit Improvement (TRIM)	Study will improve military recruit eligibility by identifying the contemporary causes of childhood and adolescent obesity. Of consequence to military readiness are the 13% of recruitment-age males and 17% of females who cannot meet weight requirements.	South Carolina, Texas, Massachusetts and Iowa (subcontract to Iowa)	6,000	RDA
Defense	Wireless Medical Monitoring System (WiMed)	The Army must continue to conduct efficient triage and patient transport. The time to treatment is critical for maximum survival, and wireless control is the most critical need right now in theater.	10282 Sixth Street, Rancho Cucamonga, CA 91730	5,000	RDA
Defense	SOAR (Student Online Achievement Resources Virtual School District)	To provide an Internet-based initiative in math and literacy to assist children from military families, especially as families relocate, providing student assessments and linking schools through a “virtual school district.”	University of Northern Iowa, Cedar Falls, Iowa 50614	8,000	OMDW
Defense	Spray Technique Analysis and Research for Defense (STAR4D)	DoD spends \$10-\$20 billion in corrosion control costs annually. The STAR4D@ program provides significant cost savings, improved quality, military readiness and environmental benefits via training and applied research on painting and corrosion control.	Iowa Waste Reduction Center Painting and Coating Enhancement Facility, 6112 Chancellor Dr., Cedar Falls, IA 50613	2,400	RDDW
Defense	Future Affordable Multi-Utility Materials for the Army Future Combat Syst	The unmanned ground and aerial vehicles within FCS will autonomously gather intelligence and carry out tactical missions on land and air. It will minimize manufacturing costs, decrease production time and maximize system performance.	Iowa State University will receive 1.66 Million for which the work will be performed at Iowa State University Campus, Ames, Iowa. Work will also be performed at South Dakota School of Mines and Technology and Florida A&M University	8,000	RDA

Defense	DoDEA Mathematics Teacher Staff Development Project	To provide an effective and meaningful in-service program for DoDEA mathematics teachers to foster continued growth in the achievement of students in DoDEA programs as measured by nationally recognized assessment programs.	University of Northern Iowa, Cedar Falls, Iowa 50614	1,500	OMDW
Defense	Aircraft Evaluation Readiness Initiative (AERI)	AERI is intended to provide DOD with inspection techniques that can effectively be used in the field, as well as in the manufacturing process.	Iowa State University, Ames, Iowa	3,000	RDAF
Defense	Distributed Simulator Training for the Joint Armed Forces	The Center is developing a novel software and hardware platform capable of synchronizing multiple geographically distributed simulation systems with live combat exercises. Research will help establish a distributed simulator training capability.	Virtual Reality Application Center; Iowa State University Campus, Ames, Iowa	8,000	RDA
